About Spark'Dwell: Because justice issues related to homelessness, hunger, poverty, racism, education disparity, and more are complex situations that require complex conversations and answers, SPARK (a community ministry) and The Dwelling (a Lutheran church of radical welcome with neighbors who experience homelessness) have teamed up. Together, Spark'Dwell offers opportunities for young people and adults to spend a week participating in Spirit and Service-Learning Experiences.

Hosted (housed) at a local partner church (Burkhead United Methodist Church), participants engage in a week of relationship-building, education, story-telling and service **alongside** formerly or currently homeless individuals. In doing so, participants will better understand the complexity of the systems and institutions perpetuating injustice and inequity, how the church is responding as Matthew 25 people, and ways that they can continue to advocate for justice in their own communities.

Cost: The total cost for camp is \$360 per person. But with our fund-raising efforts and assistance from our Youth Mission Funds, we're able to cut the cost per person down in half! ***Your total due will be \$180 for the week.***
